## Health insurance is expensive and it is covering less and less of the care Coloradans need.

The good news is Colorado is creating an online marketplace to let consumers shop around for insurance. The goal of the marketplace is to increase **affordability, access, and coverage.**

To make sure it does:

### We need your input!

We are hosting two local forums to get feedback from residents of Colorado Springs and El Paso County. Learn more about this exciting new program. Tell us how to shape it to work better for you and your family!

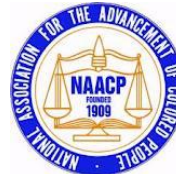

Forum #1: **November 17, Noon to 1:30 PM**  
Penrose Library – Carnegie Room

Forum #2: **November 17, 5:30 to 7:00 PM**
