

A We are Women Colorado Event

You are cordially invited to attend a presentation by Dr. Andrew Fowler, former Chief of the OB/GYN Section at Memorial Hospital and founder of Blue Skies Center for Women on the importance of voting to ensure your voice is heard and to retain your right to choose what is best for your health without government interference.

There also will a showing of "Iron Jawed Angels", a movie about the struggle for women's right to vote starring Hillary Swank as Alice Paul. It serves as a reminder what our grandmothers and great-grandmothers endured. All women should see this. Hope to see you there! Refreshments will be available. Donations cheerfully accepted!

When: September 4th - 7pm to 10pm
