Immigration Legal Defense Fund

House Bill 21-1194

This bill provides a fund for legal representation for undocumented individuals, who do not currently have guaranteed right to council in immigration proceedings. Many in immigration proceedings are unable to advocate their case without the guarantee to a lawyer; consequently, many people facing deportation and detention go before a judge alone. This statewide legal defense fund provides a fund which awards grants to qualifying nonprofit organizations that provide legal advice, counseling, and representation for those in immigration proceedings who cannot afford a lawyer.

Protect Personal Identifying Information Kept by State

Senate Bill 21-131

This bill seeks to prevent unfair data sharing practices, which have threatened the safety and privacy of Coloradans whose information could be shared between state agencies and Immigration and Customs Enforcement. Specifically, this bill requires certification by entities to access state databases and confirmation that they will not use records for civil immigration purposes. Additionally, the bill states that release of identifiable information to a third party requires a judicial warrant, court order, or subpoena, while limiting the amount of personal identifying information collected by state agencies in the first place.

Policing

Jail Population Management Tools

Senate Bill 21-062

This bill aims to reduce arrests, cash bail, and jail populations by allowing issuances of summons prior to court proceedings rather than incarceration. The bill prohibits an officer from arresting someone solely for an alleged commission of a traffic offense, petty offense, municipal offense, misdemeanor offense, class 4, 5, or 6 felony, or level 3 or 4 drug felony unless other conditions necessitate. The bill prohibits issuance of monetary bonds for municipal offenses, misdemeanor offenses, class 4, 5, or 5 felonies, or level 3 or 4 drug felonies unless other conditions necessitate. The bill requires courts to issue personal recognizance bonds for failure to appear or for failure to comply with conditions parole hearing. Finally, the bill allows sheriffs to manage jail populations in order to keep the population as low as possible.

Policing, cont.

Changes to Felony Murder

Senate Bill 21-124

Under current law, when the death of a person is caused by a participant without deliberation, the defendant may be charged with a class 1 felony of 1st degree murder. This bill would change the felony offense to a class 2 felony instead, which does not require life without parole. Rather, this bill allows judges to use discretion in sentencing based on the nuances of each case.
